*Come and visit • Play and Stay*

The City of Horseshoe Bay is located on Lake LBJ, a full pass-through lake in the scenic Texas Hill Country. An hour drive west of Austin and to the north of San Antonio, the City offers an array of amenities for homeowners and guests.

Spilling from rocky hills to the edge of the lake, the City is a gem of carefully planned developments, with a wide variety of single family and multi-family homes.

Primarily within Llano County with a portion in Burnet County, it is resort living at its best with private clubs, marinas, a first-class resort hotel and an airport for corporate and private jets.

Enjoy the beauty of Lake LBJ with water sports like swimming, fishing, and boating.

Two churches on the summit of Thanksgiving Mountain, one Catholic and the other Protestant, share views of the azure bay and hills that seem to fold into infinity, making you “feel closer to heaven,” as one parishioner says.
